The librarian and the trustees wish to express to those who have been so generous in their contributions to the Library during the past year, their sincere appreciation and to call the attention of the voters to the increased use of the Library, our largest circulation for one day being 248. This increase is

likely caused by the use of library reference books by our school children and the fact that your trustees are trying to purchase the best of the new books just as soon as they are released by the publishers.
